ENTRY FORM for CARDS

Notes on card entry

1. Sale price will be in 50p units with a minimum price of £3. You can submit as many cards as you like, but for simplicity please restrict yourself to a maximum of 2 price units.
2. The Gallery will be managing the sales process, unlike previous years when the Branch managed the process. This means that the rules below must be adhered to, or your cards may be rejected.
3. Sale price should include 30% gallery commission.
4. Cards must be presented in sealed cellophane bags.
5. Each card must have the price clearly marked on the reverse. Please do not put the price on the front of the card.
6. Your name must also be clearly marked on the reverse. In order that a sale is correctly recorded by the Gallery please make sure your full name appears, not just your initials.
7. Your name and price should be attached securely to the reverse of the card. In the past we have had problems with stickers falling off – not such a problem when the Branch was in charge, but now it could lead to loss of sales. If you think your stickers are suspect, please put them inside the cellophane bag.
8. The Gallery has agreed that they will top up the card display, but your excess cards must be stored in a shoe box (including the lid) with your name clearly marked on the outside. Cards that are not stored in a shoe box will not be accepted.
9. Cards are to be handed in at the same time as display work on 22 January. Please complete the form below and hand it to Liz Frampton.
